## Brooke Lierman Selected for *The Daily Record's* 2014 Leading Women Award

**Baltimore, Md.** — Brown, Goldstein & Levy is proud to announce that *The Daily Record* selected Brooke Lierman, an associate at the firm, to receive the 2014 Leading Women award.

*The Daily Record's* Leading Women awards honor 46 women who are 40 years of age or younger for the accomplishments they have made so far in their careers. A panel of business and legal professionals and a representative of *The Daily Record* selected the honorees based on their professional experience, community involvement and commitment to inspiring change.

*The Daily Record* launched the Leading Women awards in 2010, at the 15<sup>th</sup> annual Maryland's Top 100 Women celebration, to recognize the next generation of Maryland's women leaders.

Nominees for Leading Women were asked to complete an application that outlined their education and career history, examples of mentoring, career-related officer and board memberships in professional, business or trade organizations, volunteer involvement in civic and nonprofit organizations, awards and honors, professional accomplishments, and commitment to inspiring change in their organization or the community.

"The Leading Women honorees are extremely accomplished and excel in their professional lives and in service to their communities," said Suzanne Fischer-Huettner, publisher of *The Daily Record*. "Their already tremendous accomplishments are but a prelude to many more in the future. *The Daily Record* is honored to recognize them."

The 2014 Leading Women awards will be presented Dec. 4 at a reception and dinner at the Hyatt Regency Baltimore. Winners will be profiled in a special magazine that will be inserted into the Dec. 5 issue of *The Daily Record* and available online at [www.TheDailyRecord.com](http://www.TheDailyRecord.com).

Congratulations to Brooke!
