## Daniel F. Goldstein Receives *The Daily Record's* Lifetime Achievement Award

Brown, Goldstein & Levy is proud to announce that *The Daily Record* selected our founding partner Daniel F. Goldstein to receive the 2017 Lifetime Achievement Award.

*The Daily Record* launched the Lifetime Achievement category for the Leadership in Law program in 2016. This award recognizes attorneys and judges whose body of work over their careers makes them stand out. They are well respected in their profession, active in their community, and dedicated to growing the next generation of legal leaders.

Dan's love of trial work has led to a wide-ranging practice that includes complex commercial matters, high-impact public interest litigation, personal injury, white collar criminal defense, and court appointments to represent defendants charged federally with death-eligible offenses.

Dan is one of the most respected, visionary, and effective trial lawyers in Maryland. Over the course of a career that is now in its fifth decade, he built a nationally respected litigation boutique, known for its passionate civil rights advocacy as well as the top-notch quality of its trial work in general. He conceived and, with colleagues he has mentored, has brilliantly executed a more-than-20-year strategy to make computer and other technology accessible to the blind.

Dan was a founder of the Disability Rights Bar Association, the first plaintiff-side organization comprised of attorneys representing individuals with disabilities. Dan also helped establish the annual tenBroek Law Symposium on disability rights law. In 2011, the American Bar Association awarded Dan its Paul G. Hearne Award for Disability Rights, presented each year to an individual who has made significant contributions to further the rights, dignity, and access to justice for people with disabilities.

Dan is a Fellow of the American College of Trial Lawyers, has been listed among Maryland's Top 50 Super Lawyers, and is a 2010 winner of *The Daily Record's* Leadership in Law Award. He has been selected by his peers for inclusion in *The Best Lawyers in America* Civil Rights Law, Commercial Litigation, and White Collar Criminal Defense categories and was selected for Fellowship in the Litigation Counsel of America.
